3. Open the file with EndNote

4. The references will be imported automatically. They will display in the Recently Added group.

**Please note:** Due to the structure of certain database records, information may occasionally be imported into incorrect fields within your EndNote library. These need to be edited manually.

If you have any difficulties downloading references, contact the Library via [tasac@cqu.edu.au](mailto:tasac@cqu.edu.au)
