Adding items from My Collection

My Collection is your own personal list of citations.

You can add items from your Collection (linked in the left-hand menu) to a reading list.

Step 1
Click on the Add Items button:

Step 2
Click on the My Collection tab:

Step 3
Click on the item you would like added to the reading list.

Step 4
Select a Section, then click on ADD:
Alternatively, you can ‘drag and drop’ the item into the correct position in the list:

Step 5
Check that the citation links correctly and the item is accessible.
