FINDING LISTS FROM PREVIOUS TERMS

Finding lists

To locate lists used in previous terms or still in draft mode follow these steps:

1. Go to the eReading Lists site.
2. Click the Find Lists button on the left hand menu.
3. Enter the unit code or unit name into the Find Lists search, ensuring the Course Status and Publication Status is set to All.
4. Select the relevant list using the Term or Publication status.

FAQs

Q: I am having issues with my reading list using Internet Explorer (IE)
