INSTALLING CITE IT!

Installing Cite It!

The Cite it! bookmarklet allows you to collect items while browsing the web and add them to a reading list or collection. Before you can use Cite it! you will need to install the bookmarklet in your browser.

1. Open the internet browser you wish to add the bookmarklet to.

   **Please note:** Reading lists work best in Chrome and Firefox.

2. Open a reading list.
3. Click on your name in the top right-hand corner.
4. Select Cite It!
5. A popup window will appear.
   ‘Drag and drop’ the CITE IT! button into your browser toolbar or favorites:

FAQs

**Q:** I want to add an item to my eReading list that isn’t in the Library collection. What do I do?

**A:** Items not held in the Library collection but required for an eReading list can be sourced by the Library to ensure copyright compliance.

1. Book chapters - titles can be borrowed from other academic libraries and chapters copied and digitised.
2. Books - requests to purchase books for the Library collection can be made via the Library and IT Services Portal. Select the Library - Library Resources for Courses/Units - Purchase Recommendation.

Help

Help Guides are available via the [eReading Lists Library Guide](https://library.cqu.edu.au/eReading).

Training courses are also available via Totara.

For further assistance about list creation please email [my-librarian@cqu.edu.au](mailto:my-librarian@cqu.edu.au)
