ACCESSING READING LISTS

Accessing your reading list

Reading lists are available via Moodle. From Moodle, you can edit and maintain a reading list for the term a unit is offered.

Reading lists will be available six weeks before the start of term for:

- units which had a list in a previous term/s – the last term’s reading list will be ‘rolled over’ for the new term.
- units which have digitised readings (formerly Course Resources Online (CRO)).

A link to the eReading list for the unit is available as a menu item in your Moodle unit.

If your unit has a reading list, the eReading Lists menu item will display the link to the reading list:

FAQs

Q: Why can’t I find a reading list for my unit?

A: If your unit does not have an existing reading list, you can create one using the ‘Creating a reading list’ guide.
